INTERVIEW SUMMARY

Mail Stop Appeal Brief - Patents
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

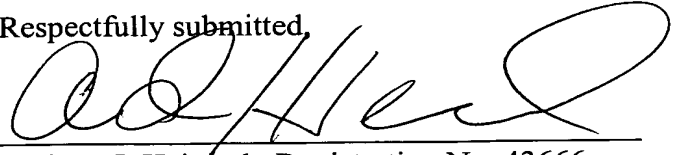

Applicant agrees with the Examiner's characterization in the Interview Summary dated March 26, 2007. Applicant and the Examiner only discussed the Appeal Brief rule, namely 37 CFR 41.37(c)(1)(v) and whether that rule required that each dependent claim argued separately be summarized in the Appeal Brief. Applicant pointed out that only dependent claims which included means plus function and step plus function format needed to be summarized, not merely just any dependent claim argued separately on appeal. The Examiner sought advice from the Board who indicated that the Brief was compliant such that the brief did not need to be revised. In a follow-up, the Examiner therefore called the undersigned attorney to indicate that the Non-Compliant Appeal Brief Notice mailed on 3/9/2007 has been withdrawn. As such, the substance of the interview was merely procedural in nature.

It is submitted that to the extent Applicant is required to file a statement of the substance of the interview as may be suggested in the Interview Summary prepared by the

Examiner and mailed on 3/26/2007, it is submitted that this instant document satisfies this requirement. Applicant also thanks the Examiner for his attention to this procedural issue.

Respectfully submitted,
